EMPLOYMENT EVENT SPONSORSHIP OPPORTUNITIES

Job Fair Sponsorship

We have one purpose: matching organizations and job seekers for a long-term sustainable connection. We do this by creating the environment necessary for success. We start by coaching our employers and job seekers separately on how to make meaningful connections. Next, we send job seekers into the event in smaller groups, to eliminate long lines and a chaotic atmosphere. We also offer additional services to job seekers, including job coaching, resume and cover letter reviews, and more.
